Dear Shelly McLaughlin:

On behalf of the Department of General Services – Maryland Capitol Police, we wanted to express our appreciation to you for the training on Autism Awareness during DGS-MCP officer in-service training (May – June, 2013). It was extremely informative, and the class size and participation illustrated the importance of this topic to Law Enforcement.

“Pathfinders for Autism” is an excellent source for quality training, and we appreciate your instructors personally taking time to provide us with the timely information. Instructors, Shelly McLaughlin and Trish Kane, provided an excellent class and were generous enough to include personal and police related autism information into their presentations. Their material was up to date, lively and brought home the importance of Autism Awareness for Law Enforcement. The positive responses to the training are a reflection of “Pathfinders for Autism’s” commitment to quality training to the law enforcement community.

Once again, thank you for making the training successful, and we appreciate your continued support.

Sincerely,

Sgt. Eric Yealdhall
