Media Star Promotions Presents
An Evening with Lewis Black

To Benefit: Cystic Fibrosis Foundation
Pathfinders for Autism

The Modell Lyric | 140 West Mt. Royal Ave | Baltimore MD, 21201

Tuesday, November 12, 2019
Lewis Black at The Modell Lyric

Join Lewis Black for a one-night performance on Tuesday, November 12, 2019, 6:00 p.m. at The Modell Lyric. Guests will enjoy a fabulous VIP reception and an energetic performance.

Known as the king of the rant, Grammy Award Winning Lewis Black uses his trademark style of comedic yelling and animated finger-pointing to skewer anything and anyone that gets under his skin. His comedic brilliance lies in his ability to make people laugh at the absurdities of life, with topics that include current events, social media and anything else that exposes the hypocrisy and madness he sees in the world.

Receiving critical acclaim as a stand-up, actor and author, his live show is legendary. This show will surely sell out!

Tax ID #52-2226573.

A portion of the proceeds benefit

Pathfinders for Autism was established in 2000 by parents of children with autism. Since then, we have grown into Maryland's largest autism organization, directly serving over 17,500 people last year alone. Pathfinders for Autism works to **support and improve the lives of individuals affected by autism** through expansive, individualized programming, and by providing resources, training, information and activities free of charge. Thank you for investing in Maryland's autism community. Together, we can make a difference!

Sponsorships to this event are available through the Pathfinders for Autism and the Cystic Fibrosis Foundation. Sponsorships are limited.

Important Note on Attendance at CF Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection.

Medical evidence shows that germs may spread among people with CF through direct and indirect contact, as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to an indoor Foundation-sponsored event at a specific time.
