Debbie Fights Coronavirus!

VINGE BRUSIO
Hi! My name is Debbie. What's your name?
I'm confused and scared! Do you know why?

I'm confused and scared because I hear Coronavirus is making people really sick!
But
I'm not sick.
So why can't I
go to school?
School is closed, and I don't know when I can go back and see my friends. It's not fair!

Am I going to get sick, too?
Debbie, let's look at your PODD.

Let's think about what we can do to practice social distancing so you don't get sick!
We can do activities at home just like at school, and we can listen to your favorite music, too!
While I wait for school to open, I can do my school work at home!

Yes! We can do a lot of things while we stay safe.
Ok! I wrote down on my calendar that we would exercise today.

1-2-3...Kick!

1-2-3...Kick!
Alright. Let's check my email.

Aw, man! My email says Coronavirus is still at school!
School needs more time to clean the walls and desks so I don't get sick.

I'll keep working from home.
I'm going to relax, too, and text my friends.
I'm going to watch YouTube, AND play my piano!
To make sure I don't get Coronavirus, I will keep washing my hands!
I'm not afraid of you anymore, Coronavirus, because I'm staying safe!
Bye, Coronavirus! Don't come back!
