

# THE 21st ANNUAL Pathfinders for Autism Golf Tournament

PROCEEDS BENEFIT

Monday, May 16, 2022 • Hillendale County Club • Phoenix, MD

[www.pathfindersforautism.org](http://www.pathfindersforautism.org)

## Sponsor a tee sign....

and make a  
difference in the  
lives of individuals  
with autism.

Proceeds benefit Pathfinders for Autism and support their many FREE programs, such as the PFA Resource Center, parent and professional training, recreational opportunities for individuals and families, and awareness activities.

Autism affects **1 in 44 children** in the U.S. today. In Maryland, over 13,500 children in the public schools are diagnosed with an Autism Spectrum Disorder (ASD) and there are thousands more adults in the state in need of services and support. Your support will make a difference in the lives of Maryland families of children and adults affected by autism by proving a trusted source of information, resources and knowledgeable staff to assist them in navigating their lifelong journey with autism.
