

# What to Do During a Traffic Stop

## Practice sessions for drivers and passengers

EVERYONE feels anxiety when they see that police car light up behind them and may worry about what will happen next. Watch the 1-hour webinar and then attend a live session where you can practice being pulled over by Frederick County Sheriff's Deputies in a calm environment. The goal is to have a safe interaction during a traffic stop. **This program is offered to drivers and passengers of all ages with a developmental disability.**

### Participants will receive:

- A printed copy of "PFA Tips: What to Do During a Traffic Stop"
- An envelope which can be used to hold the person's registration card, insurance card, disclosure card, and a copy of the PFA Tips article with tips about autism for the officer on the back side
- A laminated card (with clips) to attach to the driver's visor with the top five instructions of what the driver needs to remember to do during the traffic stop
- Autism and Developmental Disability disclosure cards

**Practice session: Tuesday, May 14, 2024**  
**Practice times available 10am-2pm**

Free to attend; Registration for a practice time required
